18 August 2021

Dear Parents/ Guardians

PROGRESS REPORTS, TERM 2

After multiple challenges in our IT department, we are eventually in the position to hand out reports for term 2. Included is your child's progress report. This report is an assessment of the work, assignments, tasks and controlled tests done throughout the term. It reflects the outcomes that were attained by the learner. Continuous and consistent hard work is important for success. Parents of learners who struggle academically or give disciplinary problems will be contacted by the class educator before 31 August 2021 to discuss the way forward for the learner.

SCHOOL FINANCES

Because of no functions and limited tuckshop sales, we currently only rely on school fees to pay municipal accounts, phone bills and SGB educators. We enquired for extra funding for the school from the education department, but was unsuccessful. Parents are therefore encouraged to continue to pay school fees if they can afford to do so. Herewith the school's banking details:

BANK	CHEQUE ACC. NR	BRANCH	BRANCH CODE
STANDARD BANK	071900527	TYGER MANOR	050410

COVID 19

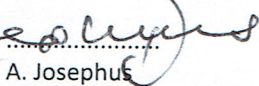

We must never forget that we're in a devastating pandemic. To this end I want to remind the Belvue Primary family to be vigilant at all times and protect yourself and everybody in your bubble. Remember because of our interaction with your child/ children we as staff at the school are part of your bubble. Please be reminded and remind everybody else in the bubble of the importance of:

- Social distancing, at least one (1) metre,
- Regular and thorough washing of hands and
- Wearing of face masks.

I also want to appeal to parents not to send their children to school if the child was in personal contact with any person (parents included) who was diagnosed with COVID 19. In such a case the child must isolate for ten (10) days. It is also the responsibility of the parents to inform the educator accordingly. The educator must then report it to the admin clerk who must capture it and in so inform the relevant authorities.

Thank you for your continuous support.

Kind regards

A. Josephus
(Principal)
